Selb Contracting
Building Construction Developments

Re: Erf 44, 85 Castlemaine Rd, Sitari Country Estate

This letter serves as Testimony to the Master Builders, Selb Construction.

Honesty tops the list, with accurate and neat construction. We found them to be accommodating and keen to advise or answer any questions. Project management is of an extremely high standard which put our minds at ease as we live over 1000km away. Post construction, they have not hesitated to assist with minor snags.

We will gladly recommend Selb Construction to anyone wishing to build anywhere.
